Tourettes Action is a charity for the relief of people suffering from the neurological disorder known as Gilles de la Tourette Syndrome.

Tourettes Action is dedicated to providing information, support, fellowship, services, and advocacy for and on behalf of those living with Tourette Syndrome by;

Informing

- Being the authoritative voice on Tourette Syndrome (TS), its prevalence, impact, therapies, management, and best practice.
- Disseminating and interpreting knowledge of any advances in the treatment and management of TS.

Supporting

- Supporting people with TS throughout their lives.
- Providing a range of services which will aid individuals in managing and understanding their condition.
- Reducing the social isolation of people with TS through contact with others with TS.

Advocating

- Promoting understanding and inclusion of people with TS.
- Promoting and facilitating both clinical and non-clinical research to improve the treatment and support for people with TS.
- Acting as advocate for the TS community in education, work, the health service, the justice system and any other arena where people with TS suffer disadvantage or discrimination

But we can't do this without your support.

By becoming a registered Supporter of Tourettes Action and making a regular donation to TA you can help us to achieve our goals and in doing so improve the lives of all those living with TS.

I look forward to welcoming you.

Suzanne Dobson, Chief Executive, Tourettes Action

How can I register as a Supporter?

Anyone can become a registered Supporter of Tourettes Action. We suggest an annual donation of £20.00 to support our work, but of course if you are in a position to make a more generous regular donation, that will help us achieve our goals more quickly and enable us to offer more help and to support more people and families living with Tourette Syndrome.

Complete the form opposite and send it to:
