

Tourettes Action Identification Card

Ne razumijem hrvatski pa vas molim da pročitate ovaj prijevod:

- 1) Imam Tourettov sindrom.
- 2) Tourettov sindrom je zdravstveno stanje koje obilježavaju motorički i glasovni tikovi - nehotični ponavljajući pokreti i zvukovi.
- 3) Sljedeći simptomi su u potpunosti nehotični:
 - psovanje i upotreba društveno neprihvatljivih riječi ili pokreta
 - oponašanje tuđih gesta ili govora
 - kompulzivna potreba za dodirivanjem drugih ljudi ili stvari.

Hvala na razumijevanju.

Tourettes Action Identification Card

I don't speak Croatian but I would like you to read this translation

- 1) I have Tourettes Syndrome
- 2) Tourette Syndrome is a medical condition characterised by motor and vocal tics – involuntary movements and noises
- 3) The symptoms listed below are all involuntary
 - The use of obscene or socially inappropriate words or gestures
 - Imitation of other people's speech or gestures
 - The compulsion to touch people or things

Thank you for your understanding
